BYGG 5

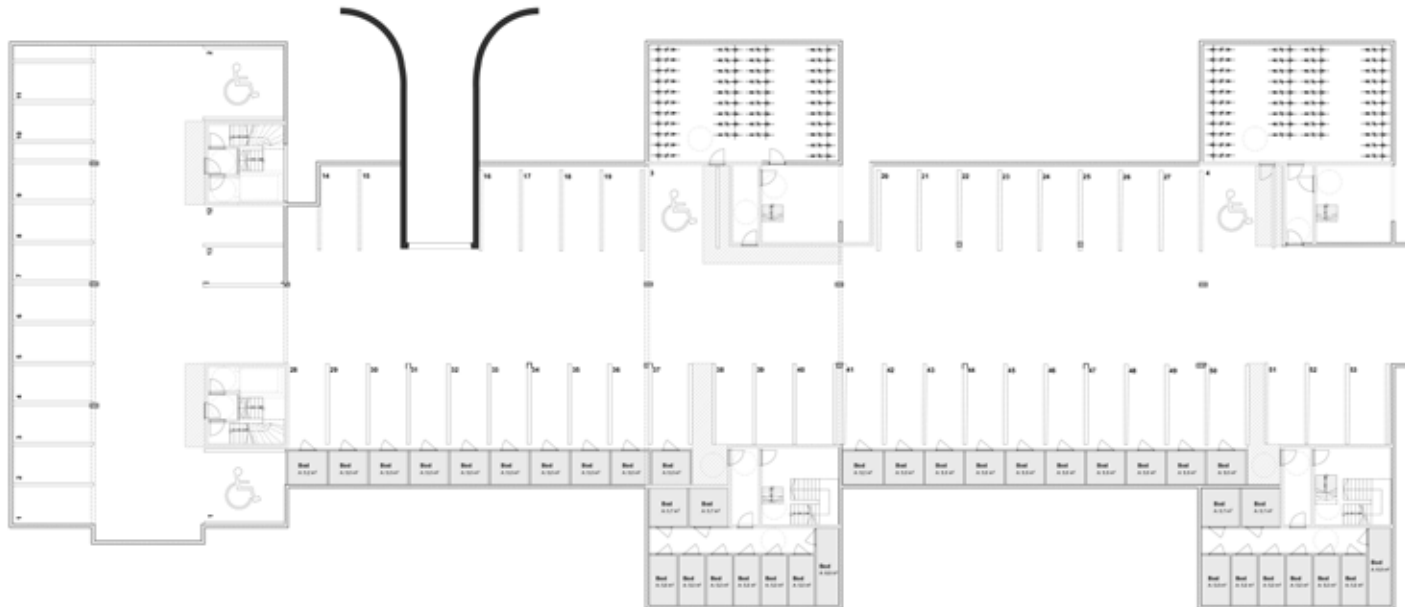

HOLLENDERHAUGEN - BYGGETRINN 1 AV 2

Tre bygg med totalt 56 leiligheter.

Parkeringsanlegg, boder og sykkelparkering ligger i prosjektets underetasje. Det medfølger 1 stk. parkeringsplass og sportsbod til hver leilighet. Handikappede vil få tilbud om egne og tilrettelagte plasser. Det tilrettelegges også for elbil. Fra anlegget går heisen direkte opp i leilighetsbyggene. Det er to heiser i hvert bygg, noe som gjør at man slipper lange ganger. Inngangsdøren til hver leilighet ligger like utenfor heisen.

Se prospekt del 1 eller leveransebeskrivelsen for mer informasjon.
